- General Jackson

Galt House Kalightscope

Christmas at the Biltmore Estate

Day 1 – Today we board our “**deluxe sleigh**” (motor coach) and journey east toward Louisville, Kentucky. The Christmas Spirit begins to come alive as we think about our accommodations tonight at the beautifully decorated **Galt House Hotel**. After the included dinner, the rest of the evening is for strolling around the hotel amid the holiday décor and for us to see the **Kalightscope exhibition** on the hotel grounds. Kalightscope is an incomparable sensory experience of light, color, artistry, sounds of Christmas, and handcrafted, larger-than life luminaries (8-24 feet tall). This creates an incredible walk-through Christmas experience, a memorable highlight of our tour. **(D)**

Day 2 –After an included breakfast at the hotel, we board our “sleigh” again and continue our Christmas journey as we anticipate our arrival at the **Biltmore Estate** this afternoon. An included candlelight dinner awaits us this evening at **Stable Café** on the Biltmore Estate grounds. After dinner, we enjoy the warmth and beauty of the Biltmore House transformed by **candlelight, firelight,** and the **Christmas decorations**. Our accommodations this evening are at the **Inn on Biltmore Estate**. **(B D)**

Day 3 – Breakfast is included in the **Inn Dining Room**. This morning we enjoy the **Biltmore grounds**, visit the **conservatory**, and take the **Winery Tour**. The wine tasting part of the tour is optimal. Lunch is included on the grounds at **Deerpark Restaurant**. After lunch we travel to **Nashville, Tennessee**, and check into our hotel. After dinner, on our own, you may enjoy the beautiful Christmas decorations at the newly renovated **Opryland Hotel**. **(B L)**

Day 4- This morning we take a little extra time for the included breakfast before departing for a **cruise/lunch** aboard the **General Jackson**. Once again, we board our “deluxe sleigh” and begin our journey home to enjoy the rest of the Christmas Season **(B L)**
