**St. Charles, Mo Weekend Getaway
(For Ladies Only-This one is for you, Baby!!)**

This one is for the ladies so...it's all about YOU, this weekend.

Day 1- Pamper yourself a little this weekend and come away with us for a **"Ladies Only Getaway"** to historic St. Charles, Mo. Anticipation builds as we board our deluxe motor coach and head for St. Charles where the fun begins. We start with some shopping and browsing along the **"Historic Main Street"** where quaint shops and antique stores and eateries line the street. Lunch is on your own along Main Street. Then we check into the luxurious **Embassy Suites Hotel and Spa** where every room is a suite with separate living rooms and bedrooms. Spa Services are available. Then it is off for an evening at the **Quintessential Restaurant** on Main Street where we enjoy an elegant meal and optional wine tasting in the **"Wine Cellar Grotto"**. We top off the evening on the **Roof Deck Terrace** where you can enjoy relaxing live music and two included non-alcoholic or alcoholic drinks. Enjoy yourself and the music with old friends or new friends in the relaxing conversation areas with comfortable circular couches overlooking downtown St. Charles. What a great way to top off **YOUR DAY!** (D)

Day 2- After a good night's sleep in your luxurious suite, start the day off with an included cook-to-order breakfast while enjoying the beauty of the **Garden Atrium** area of the hotel lobby. Perhaps you'll want to pamper yourself at the **Spa or Fitness Center**. Our fun is not over yet as we board our motor coach and head to **Sunset Hills Golf and Country Club** in Edwardsville, Il, where the St. Louis Chocolate Lady will present a brief interesting seminar on Chocolate followed by a **"Chocolate Tasting Time"**. Then it's off to St. Claire Mall for lunch on your own and maybe a little browsing time before we depart for home. (B)

Chris and all of the travel family hope that you will have a great time, because from us to you, Ladies, THIS ONE IS FOR YOU!!
